Subject: Proposal for resampling at Dimock

As a follow-up to yesterday afternoon's conference call with Mathy and others, attached is the R3 proposal for resampling homes at Dimock. Please contact OSC Rich Fetzer at (215) 341-6307 with questions.

Please note we have begun to develop a sampling plan based on this proposal and will make adjustments to that plan as it is drafted based on your input to this proposal. We hope to have a sampling plan to the EU for review next week so we can begin resampling sometime the week of 5/7/12. Thanks, dennis.
